

# PREMIUM NORDIC HOT TUBS

Designed for modern outdoor living

 **AUROWE**

# Built on Nordic Craftsmanship

*Hand  
Made*

Aurowe is a European manufacturer of premium outdoor hot tubs, based in Lithuania.

We combine Scandinavian design, durable materials, and precise production to create products built for long-term use in outdoor environments.

Every detail is designed for reliability, comfort, and clean aesthetics.

# Three Models. One Standard

# 3

## Nordic Elite M

Compact solution  
2-4 persons

## Nordic Elite L

Most popular choice  
4-6 persons

## Nordic Elite XL

Large premium model  
6+ persons

## NORDIC ELITE

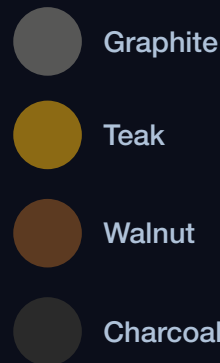

Our product range is designed to suit different spaces, customer needs, and market segments — from compact solutions to large-capacity models.

Each hot tub is built to the same premium standard, combining Scandinavian design, durable materials, and reliable performance to ensure long-term satisfaction for both end customers and resellers.

**MADE IN LITHUANIA**

## EXTERIOR COLOUR
